Module Title FAMILY HISTORY - AN INTRODUCTION

Tutor JOHN DAWSON Course Code U110041

All UFA modules are assessed by a learning portfolio consisting of the tasks set by the tutor in your module.

To gain UFA credit for this module you have to submit this portfolio cover, together with your coursework, to your tutor for assessment against the learning outcomes.

Please Note: Funding is NOT received for students who do not submit work for assessment.

I would like to submit this work for assessment for UFA credit

*I declare that the work I am submitting for assessment contains no section copied in whole or in part from any other source, unless it is explicitly identified by means of quotation marks, or in the case of very long quotations, by means of wholly indented paragraphs. I declare that I have also acknowledged such quotations by providing detailed references in an approved format. I understand that unidentified and unreferenced copying both constitute plagiarism, which is one of a number of very serious offences under the University's Code of Practice on the Use of Unfair Means.
