Out and about

The West of Weighton meeting on 2nd August saw and heard innovative methods viz:

- **Inverse Little Bob Minor**
- **Childwall Bob Minor.**

A definite WoW!

Inverse Little Bob has only been rung and named for Major.

Tuesday 6th meeting was depleted owing to holidays, but progress was made by Karen on Oxford TB Minor, and also a good course of Norwich Surprise. Mark, Karen's son, is improving his rhythm slowly. If we can get into

the groove, publishable performances will follow.

The above was made possible because of Timothy's willingness to travel from Caistor. Timothy then travelled back to Caistor for an online Stedman practice session.

The Stedman Triples band currently is Alison Lucas from Gargrave, Sue Carpenter from Kendal, Timothy, Caistor and Peter Hull. We all rang at least one course of Stedman on each of the pairs, but we didn't tackle ringing the hidden pair position, 6-7.

Next time maybe.

And the terrors of bobs and singles.

On Tuesday 13th we introduced Timothy to the delights of Duffield Major, and Barry Peachey pushed his level a little further with a course of Bob Royal on 3-4, and a course of Kent Royal on 9-0. This is very promising.

Our final Tuesday meeting at 60 Riplingham Road had Barry Peachey pushing the envelope wider on 10 bells, as well as some courses of Yorkshire.

The West of Weighton meeting on Friday 30th included a surprise course (everyone looked amazed when it came round) of Grandsire Triples, dedicated to Neil Turner.
